

FÍSICA DA BICICLETA

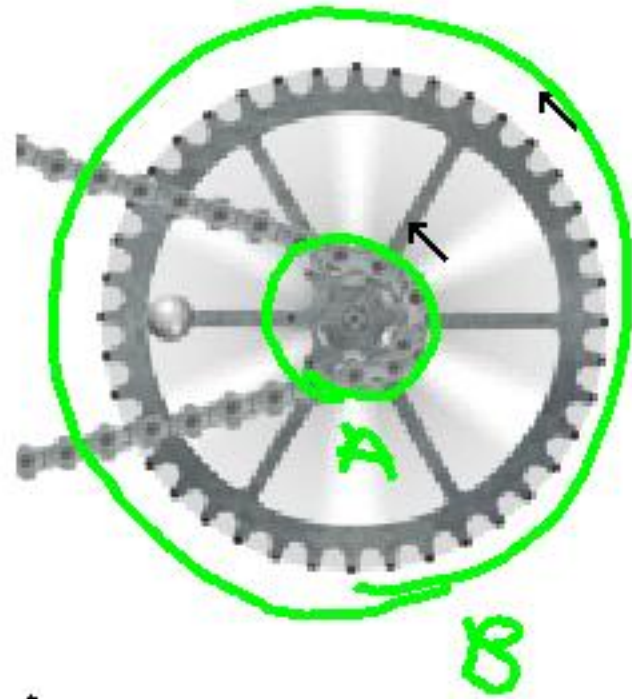

$$v_A = v_B$$

$$\cancel{2\pi} \cdot R_A \cdot f_A = \cancel{2\pi} \cdot R_B \cdot f_B \therefore$$

$$\therefore R_A \cdot f_A = R_B \cdot f_B$$

Transmissão central

$$\omega_A = \omega_B$$

$$\cancel{2\pi} \cdot f_A = \cancel{2\pi} \cdot f_B \therefore$$

$$\therefore f_A = f_B$$
